# *Website Development*

## **Build a website using the best algorithms.**

# System Information Pasar Baru

Rimberio

## What About This Project?

This project is the final project of the 5th semester lecture with web programming courses. It is an information system website, which can manage merchant data, data on goods sold and details regarding what each floor has.

## What's My Role?

I built this project by myself by starting to design a nice front-end to an easy-to-understand algorithm.

# System Information Mahasiswa

The screenshot shows the 'Dashboard' section of the system. At the top, it displays 'DATA KELAS - TI 4C' with counts: 29 Mahasiswa, 29 Lulus, and 0 Lulus. Below this, there's a blue button with a user icon. The left sidebar lists various menu items under 'SISTEM INFORMASI NILAI' and 'DASHBOARD'.

- SISTEM INFORMASI NILAI
  - Mata Kuliah
  - Kelas
  - Pengguna
  - Dosen
  - Mahasiswa
  - Nilai
- DASHBOARD
  - Dashboard

## What About This Project?

in this project there are 3 users to log in, namely as admin, as a student, and officer.

This is the final project of the web programming 1

## What's My Role?

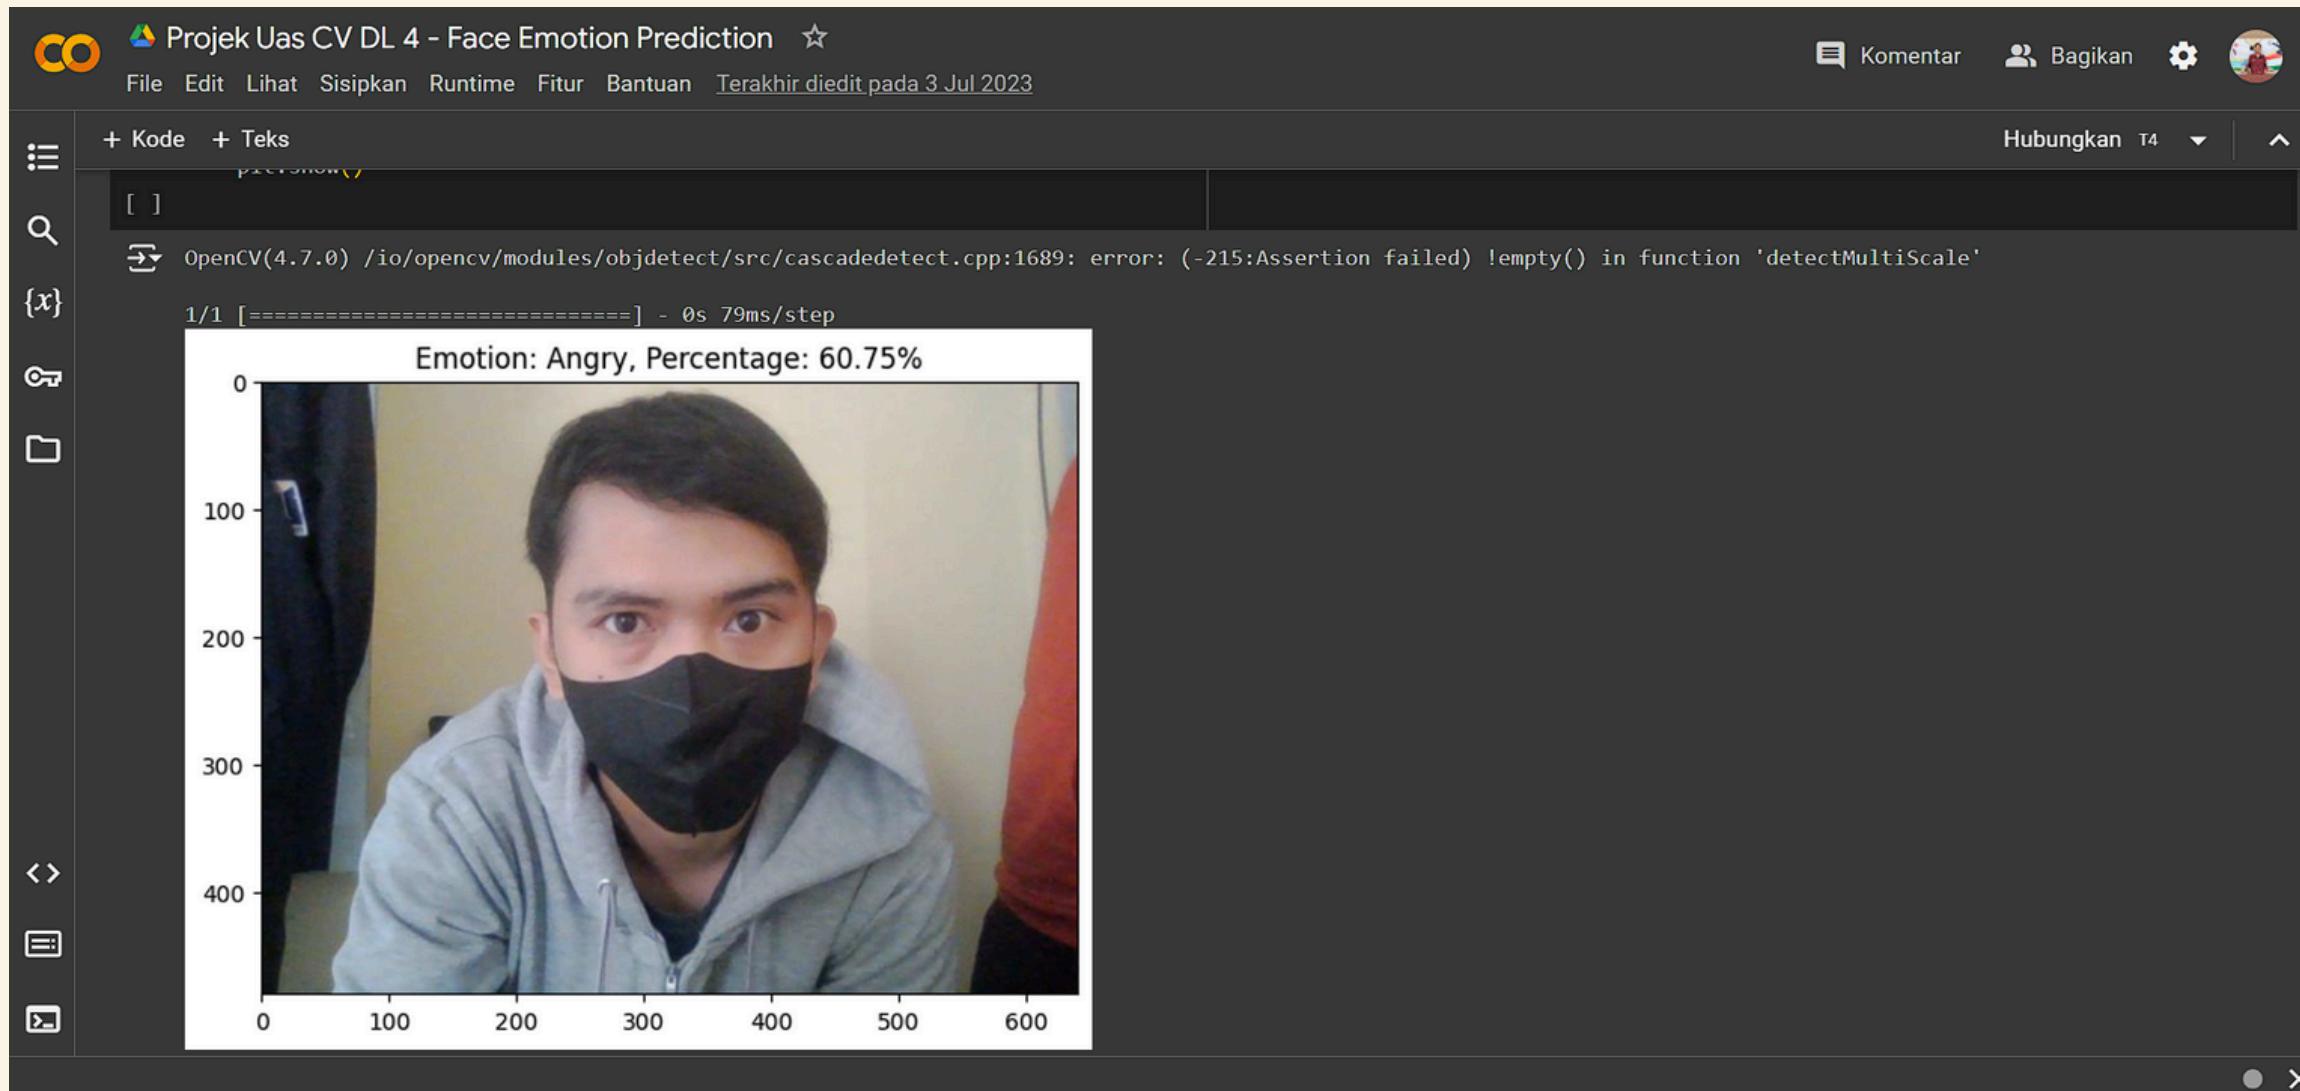

I created this SI Mahasiswa website with 4 people, where my role was to determine the right algorithm and use a good front-end.

# Demonstrasi Al-Hikmah

The screenshot shows a web application interface titled "Data Sertifikasi Peserta Alhikmah". On the left, there is a sidebar with icons for Dashboard Peserta, Skema, and Autentikasi. The main content area has a title "Informasi Peserta Sertifikasi" and a table displaying participant data. The table has columns: No, KD Skema, Nama peserta, Jenis Kelamin, Alamat, No Hp, and NIK. The data is as follows:

No	KD Skema	Nama peserta	Jenis Kelamin	Alamat	No Hp	NIK
1	SKM - 001	Ilyas Hidayat	Cowo	Yugoslavia	0993689212	3204251006030009
2	SKM - 002	Yusuf	Laki-Laki	Hegarmanah	08213141221	0
3	SKM - 003	Echa	Perempuan	Jakarta	0853252624	0
4	SKM - 004	Anjani	Perempuan	Bogor	086537122	0
5	SKM - 001	Habibi	Cowo	Aceh	09432432532	3204251006030009

At the bottom, it says "Showing 1 to 5 of 5 entries".

Footer information includes "2024 © Tugas Praktek Demonstrasi" and "Dibuat Dengan ❤️ by Ilham".

## What About This Project?

This is the final project of the junior web developer training class, on this web only the admin can log in and view, add participant data.
